After completing all parts of this form, including signing and dating it, send back only the first sheet (pages 1 and 2) for filing.

NOTE:

MULTIPLE FILING UNNECESSARY:

Generally, a person who has filed Form 1 for a calendar or fiscal year is not required to file a second Form 1 for the same year. However, a candidate who previously filed Form 1 because of another public position must at least file a copy of his or her original Form 1 when qualifying.

If you were mailed the form by the Commission on Ethics or a County Supervisor of Elections for your annual disclosure filing, return the form to that location.

Local officers/employees file with the Supervisor of Elections of the county in which they permanently reside. (If you do not permanently reside in Florida, file with the Supervisor of the county where your agency has its headquarters.)

State officers or specified state employees file with the Commission on Ethics, P.O. Drawer 15709, Tallahassee, FL 32317-5709.

Candidates file this form together with their qualifying papers.

To determine what category your position falls under, see the "Who Must File" Instructions on page 3.

Initially, each local officer/employee, state officer, and specified state employee must file within 30 days of the date of his or her appointment or of the beginning of employment. Appointees who must be confirmed by the Senate must file prior to confirmation, even if that is less than 30 days from the date of their appointment.

Candidates for publicly-elected local office must file at the same time they file their qualifying papers.

Thereafter, local officers/employees, state officers, and specified state employees are required to file by July 1st following each calendar year in which they hold their positions.

Finally, at the end of office or employment, each local officer/employee, state officer, and specified state employee is required to file a final disclosure form (Form 1F) within 60 days of leaving office or employment.
